

FLORENCE ACADEMY- ANNUAL REPORT 2022-23

1. Honorable Mr. C Malikarjun, Chairman Florence Group of Institutions, Honorable Mrs. B Kalpana, president Srinidhi Trust, respected Mr. Chandan Malikarjun, Chairman Florence Academy, respected Mrs. Smitha Chandan centre head Kidzee, Huskur Gate, Honorable Dr C Navabharatha Reddy, Chief Guest for the day, special guests, students, staff and my dear parents. A warm welcome to all!

1. It is my privilege to present to you the 8th annual day report of Kidzee Huskur Gare and Florence Academy for the academic year 2022-23. It is a double joy, because we also complete ten years of our existence.

2. The report has been divided into five themes: Kidzee, Events, Celebrations, Recognitions, Future plan that also includes knowing Florence Group of Institutions.
3. Our cultures teach us to respect elders. We therefore organized Grandparents' Day for the pre-primary students to show love and respect to their grandparents.
4. Real life experiences many times teach us more than what we learn only in the classroom. We firmly believe in the same. We had two educational tours for pre-primary students. The visit to the supermarket and the visit to the post office and police station.
5. Kidzee organized the first round of little artist colouring and painting activities for all the three classes, Nursury,

LKG and UKG. The second round will be conducted during the third week of January 2023.

8. To inculcate the values for things around us we celebrated different theme days for our Kidzee students like the blue day and the red day.

9. Our tiny tots celebrated different festivals like Raksha Bandhan, Dussehra and Christmas with simplicity and joy. Values of patriotism were seen when our Kidzee students and staff celebrated our Independence Day with passion and creativity.

10. The second theme for the report is events. We organized several events this year with certain importance. Graduation day was organized for the outgoing batch of

class 10. We wish them the best of their future and always look forward to see them as our alumni.

11. We chose our school leaders through the Investiture ceremony during the month of August. This is to develop in children leadership qualities.
12. We organized the international yoga day where students took part in yoga asana and meditation activities.
13. Our beloved motherland is celebrating azadi ka amrit mahotsava. Showing the true spirit of patriotism our students put up a grand show during the Independence Day.
14. It is said, a healthy mind stays in a healthy body. We have regular outdoor and indoor physical education periods for all the classes to give importance to physical and mental wellbeing. Our students participated in the inter-school

football competition organized by Coach Direct Team and performed very well. We also conducted the sports for grade 9th and 10th, so that they balance studies with sports. The prize distribution was held recently to recognize the talents.

15. Continuing with physical well-being, we conducted fitness of each of our children for their agility, endurance etc. The report of each child will be shared at the end of the academic year.

16. Picnic was organized for grade 1 to 10 to Elim resorts. The students had a relaxed time with their friends in the company of teachers. They enjoyed the pool, fun activities and rain dance. The higher grade students also get a chance to use the zip line activities.

17. We had several in-house trainings for our staff on the latest pedagogy for teaching, learning and assessment.
18. Our students took oath of our preamble on the Indian Constitution Day to develop the spirit of unity and brotherhood, as it is said unity is strength.
19. Imparting knowledge to students is a shared responsibility between parents and teachers. We have been conducting regular parent teacher meetings (PTM) to discuss and plan the progress of our children. We always welcome parents to give us your valuable feedback, as we are a progressive school.
20. Experiential learning builds concepts with more clarity. As a topic of social science related to the police station, the students of class 8 visited Hebbagudi police

station and interacted with the personnel there with interest and amazement.

21. We have always been a country which gives importance to physical and mental wellbeing. This is more so after the Covid-19 pandemic. The students of all the classes took part in the Fit India event organized for CBSE schools by the ministry of youth affairs and sports.
22. Our students and staff took part in central vigilance week for showing our support against any kind of corruption which hinders the progress of any country.
23. We at the Florence Academy believe in all round development of the children. Therefore, apart from the academic, we also offer Cooking, gardening, yoga, Kungfu, Abacus classes to our students and conduct and participate

in various internal and external competitions. We motivated our students for various activities like dance, essay, debate by awarding certificates to our children during the morning assembly.

24. Student's came forward with spectacular performances to show their respect and love to their mentors on Teacher's Day.
25. Teachers are called second parents to a child. To show their love our staff celebrated children's day and brought joy and happiness to each of our children.
26. We celebrated the festival of light Diwali with taking part in Diya making, lantern making and various other activities other than the cultural programme.

27. We celebrated Kannada Rayotsava with true spirit showing our respect to our loving state Karnataka.
28. To mark the festivity of Christmas our students performed skits, dances and sang carols. Santa distributed sweets to all the students with joy and happiness.
29. Our students took part in Olympiads for the subjects of Science, Mathematics, English, Computer Science, General Knowledge and social science by the Science Olympiad Foundation. We have received the results of English and Science as of now.
30. Our school received the award at IKA 2022 for excellence in adoption of technology in pedagogy.
31. We also received certificate of appreciation from SIP organization for our contribution and support in

implementing & conducting SIP Abacus All India Arithmetic Genius Contest.

32. Our students Thanu Vishwas and Keerthan Vishwas won various trophies in lawn-tennis. They are ranked 42 and 37 in their individual age categories in India. Our students participated in various external tournaments and won laurels. Thanushree and Dhanush recently won an inter-school tennis tournament in their respective categories at inter-school fest. We support our student's activities outside the school, both for sports and academics.

33. We are happy to announce that I was placed among the top 30 percentile in the International Teachers Olympiad where more than 6500 teachers took part across the globe.

34. Few of our future endeavors are launching MyClassBoard App for parents next week to get all the communication from the school, monitor their child's performance, attendance etc. We have also finance and other modules for making the relationship of parents with school stronger and convenient. Our presence on social media will also be made available and felt like our website, Facebook, Instagram etc.
35. We will be streamlining digital classes for all our students using extra-marks digital classes for teaching learning and assessment.
36. Florence Group of Institutions include Florence College of Nursing and Physiotherapy at HRBR layout, Kalyannagar.

37. Florence PU & Degree College and Florence
Academy and Kidzee at Electronic City

38. I sincerely thank all parents for your patient hearing
and request all of you to keep supporting us to bring the
best in the all-round development of our children.

Jay Hind, Jay Karnataka
